

What should I expect upon joining?

1. After returning the appropriate paperwork and registration fee, you will begin to learn basic marching maneuvers. This will prepare you to march with our color guard.
2. For those members interested in learning either the fife or the drum, musical instruction will take place on a bi-weekly basis during our regular rehearsal time. As dedication and practice are essential parts of learning to play a musical instrument, each individual must commit to working with their instrument outside of weekly rehearsal time. You will be responsible for the purchase of a practice drum pad and sticks or a practice fife. A music binder and music material will be provided.
3. Upon completion of several weeks of rehearsals, you will be sent to our seamstress to be measured for a uniform. Although the cost of the uniform is covered by CCFDC, you are required to purchase your own marching shoes. More information will be provided.
4. When marching maneuvers have been mastered and your uniform has been made, you will join the ranks and participate in our performances. ***Congratulations!***
